A Cure for Headache.

Any man, woman or child suffering from headache, biliousness or a dull, drowsy feeling should take one or two of DeWitt's Little Early Risers night and morning. Beauty And Strength

Are desirable. You are strong and vigorous, when your blood is pure. Many—say, most—women, fail to properly digest their food, and so become pale, scallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion, depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Herbina after each meal, to digest what you have eaten. 50c at W. B. Davis'.

George B. Patterson has been commissioned postmaster by the post-office department for Key West.

Good for Children

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of cough, croup and la grippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and sustaining oxygen to the blood and tissues. One Minute Cough Cure is pleasant to take and it is good alike for young and old. Sold by W. B. Davis.

Walks Without Crutches.

I was afflicted with sciatica, writes Ed. C. Nud, Lowaville, Sedgwick Co. Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me, I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons, all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c 50c and \$1.00 at W. B. Davis'.

Says Brown is A Winner.

A prominent commercial traveler, who covers the whole state, while discussing politics recently, expressed his surprise at the remarkable strength developed by Hon. C. M. Brown of Ocala, candidate for governor. He said that Brown would sweep West and South Florida, and was without doubt the leading candidate in the race. The clean campaign which he has been running is met with popular favor. His war record makes every true Southern man proud of him, and his record in both the lower and upper house of the state legislature is without a stain. He says that he has not visited a county in which he did not find Brown men enthusiastically working for his nomination, and many believed that he would win in the first primary.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boesche's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles 25c; regular size, 75c. Sold by Brinson-Yates Drug Co.
